

Tony Baldwin
United World College
PO Box 64
Queenstown

Dear Tony

New Zealand is a country proud of its can do attitude and the establishment of New Zealand as an international centre of excellence in global leadership development is a logical step in strengthening our place in the World.

To Telecom the United World College initiative is about investing in New Zealand's future by developing our future leaders, inspiring excellence and growing the people we need to create success.

Telecom is therefore proud to become a founding partner in this initiative.

Kind regards
